MINUTES
Administration Conference Room
November 2, 2010
8:00 a.m.**

Staff Present: Commissioner Jim Bryant, Commissioner Ted Seifert, County Administrator Scott Arneson, Finance Director Carolyn Holmsten and Andrea Benck.

Financial Reporting. The board is required to publish summarized financial data upon completion of the audit. Last year, publishing this information in the paper cost the county \$3,707.27. Staff recommended publishing a notice in the paper stating that the information is available on the county website rather than publishing all of the information in the paper. This would save over \$3,000 in publication costs. Other counties such as Olmsted have taken the initiative to not publish this information, but to make it available on their website.

C/Bryant suggested putting the notice in all papers in the county that the information is available on the county website. C/Seifert agreed.

The committee agreed to publish a notice in all county papers that the financial information is available on the county website and save the publishing costs of printing all of the information in the paper.
