## 1. Purpose

As a recipient of federal financial assistance, Goodhue County is responsible for providing core services to effectively promote the safety, health, and well-being of our residents while being treated with respect and dignity. Goodhue County has a Comprehensive Civil Rights Plan (CCRP) to ensure that all eligible individuals receive equal access to program services and information. Its programs are operated in a nondiscriminatory way, which protects eligible people from discrimination based on their race, color, or national origin. In medical programs, *sex* includes sex stereotypes and gender identity under any health program or activity receiving federal funds. This CCRP also serves as a source of information for county agency staff and the general public. It sets out Goodhue County's civil rights administrative policies and procedures, identifying key contacts within the county and linking the reader to applicable state and federal civil rights laws and resources.

Thus, it is the policy of Goodhue County that no person shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in any operation of Goodhue County as provided by Title VI of the Civil Rights Act of 1964 and related statutes.

In addition, Executive Order No. 12898, 59 Fed. Reg. 7629 (Feb. 11, 1994) requires Goodhue County to ensure fair treatment and meaningful involvement of low-income populations through environmental and human health effects of federal actions on minority and low income populations, and Executive Order No. 13166, 65 Fed. Reg. 50121 (Aug. 11, 2000) requires agency programs to incorporate access for people with limited English proficiency.

This policy applies to all operations of Goodhue County, including its contractors and anyone who acts on behalf of Goodhue County. This policy also applies to the operations of any department or agency to which Goodhue County extends federal financial assistance. Federal financial assistance includes grants, training, use of equipment, donations of surplus property, and other assistance.

Prohibited discrimination may be intentional or unintentional. Seemingly neutral acts that have disparate impacts on individuals of a protected group and lack a substantial legitimate justification are a form of prohibited discrimination. Harassment and retaliation are also prohibited forms of discrimination.

Examples of prohibited types of discrimination based on race, color, national origin, sex, disability, or age include: Denial to an individual any service, financial aid, or other benefit; Distinctions in the quality, quantity, or manner in which a benefit is provided; Segregation or separate treatment; Restriction in the enjoyment of any advantages, privileges, or other benefits provided; Discrimination in any activities related to highway and infrastructure or facility built or repaired; and Discrimination in employment.

Title VI compliance is a condition of receipt of federal funds. The Title VI Coordinator is authorized to ensure compliance with this policy, Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d et seq. and related statutes, and the requirements of 23 C.F.R. Part 200 and 49 C.F.R. Part 21.

### **4. Equal Opportunity Policy and Procedure**

#### **A. Goodhue County Equal Opportunity Policy and Procedure**

It is the policy of Goodhue County to make sure that program benefits and services are available to everyone and provided to all eligible individuals without discrimination, in compliance with civil rights laws.

Goodhue County employees, services, programs, benefits and policies will not discriminate against applicants, clients or members of the public because of race, color, creed, religion, national origin, sex, marital status, disability, sexual orientation, and status with regard to public assistance. “Sex” includes sex stereotypes and gender identity under any medical or health program receiving federal financial assistance, such as Medical Assistance, CHIP programs, health clinics, insurance companies and state health insurance exchanges.

This policy covers Goodhue County’s full range of services, programs and benefits. The policy applies to the agencies and providers receiving federal and state funds under contracts, licenses and other arrangements with Goodhue County. The Minnesota Human Rights Act also applies to the work of Goodhue and those agencies carrying out its programs.

#### **B. Program Accessibility for People with Disabilities**

Goodhue County and all of its services, programs and benefits, are accessible to and usable by people with disabilities, including people with hearing loss, low vision and other sensory disabilities.

To avoid disability discrimination, Goodhue County will

- Notify the public about rights and protections for people with disabilities under the Americans with Disabilities Act.

- Make sure that its buildings are physically accessible for people with disabilities.
- Assist individuals with disabilities to apply and qualify for services, programs, and benefits based on their eligibility.

- Curb cuts and ramps between parking areas and Goodhue County government facilities.
- Level access into Goodhue County government facilities with elevator access to all other floors.

**C. Reasonable Modifications to Policies, Procedures or Practices**

Goodhue County will make reasonable modifications to its policies, procedures or practices when necessary to avoid discrimination on the basis of disability, unless Goodhue County can demonstrate that making the modifications would fundamentally alter the nature of the services, programs or benefits.

**D. Effective Communication and Auxiliary Aids and Services**

Goodhue County will take appropriate steps to ensure that communications with people with disabilities and companions with disabilities are as effective as communications with others. To ensure effective communications, Goodhue County will provide appropriate auxiliary aids and services, including accessible formats, so that people with disabilities can receive services, programs and benefits and participate in them in the same way as people without disabilities. Auxiliary aids and services include qualified readers, writers and interpreters who convey information effectively, accurately and impartially using any necessary specialized vocabulary.

To determine what types of auxiliary aids or services are necessary, Goodhue County will give primary consideration to the requests of people with disabilities. Goodhue County will honor the choice of the person requesting the auxiliary aid or service unless it would fundamentally alter the nature of the service, program or benefit or cause an undue

administrative or financial burden. If this happens, Goodhue County will find another equally effective auxiliary aid or service.

## 5. Complaint Resolution Procedure

### Goodhue County Civil Rights Complaint Procedure

You have the right to equal access to services, if you are an applicant, client or member of the public trying to gain access to services or benefits. Goodhue County has a civil rights complaint procedure that provides prompt and thorough resolution of civil rights complaints.

Civil rights complaints allege discrimination. You have a right to file a civil rights complaint if you believe you have been discriminated against because of your race, color, creed, religion, national origin, sex, marital status, disability, sexual orientation, and status with regard to public assistance. *Sex* includes sex stereotypes and gender identity discrimination that occurs in medical or health programs and clinics receiving federal financial assistance, such as Medical Assistance, MNCare, CHIP programs, insurance companies and state health insurance exchanges.

It is against the law for anyone who works for Goodhue County to retaliate against a person who files a complaint or who cooperates in the investigation of a civil rights complaint.

To file a complaint, ask for Goodhue County equal opportunity policy, complaint procedure and complaint form. Use the contact information below to help you to file your complaint. You can also review the law and regulations that outlaw discrimination in the Civil Rights Contact's office at Goodhue County:

Goodhue County Health and Human Services will make sure the complaint notification form is completed and sent to DHS within 90 days of the date the complaint was filed in the county, so DHS can report the complaint to the appropriate federal office. The Civil Rights Contact or designee is responsible for making these arrangements.

## 6. Disability Compliance

- a. **Disability Law and Standard of Access for State and Local Government Services**

**Section 504 of the Rehabilitation Act of 1973** protects qualified individuals with disabilities from discrimination based on their disability in federally funded programs and services.

**Title II of the Americans with Disabilities (ADA) Act of 1990** (Title II of the ADA) protects qualified individuals with disabilities from discrimination on the basis of their disability when the discrimination occurs in state or local government services. An agency does not have to receive federal financial assistance to be required to comply with Title II of the ADA. An agency just has to be a state or local government entity.

Goodhue County agencies must ensure that people with disabilities are able to use their programs and services. Disability laws set out an equal access standard for providing services. This means that individuals with disabilities are entitled to equal access to services and programs; the same standard of access that applies to people without disabilities.

A public agency must reasonably modify its policies, procedures and practices to avoid discrimination. A public agency must also take appropriate steps to ensure that its communications with individuals with disabilities are as effective as communications with others.

**b. ADA Contact**

Goodhue County has designated an ADA Contact person to serve as its point person on disability matters raised by applicants, clients and members of the public. ADA Contact information is located on the cover page of this CCRP.

Human Resources Manager  
Phone: 651-385-3028

**c. Disability Complaints**

People filing disability complaints will use Goodhue County's civil rights complaint procedure.

**d. ADA Notice Document**

Goodhue County will use the DHS brochure: *Do you have a disability* (DHS-4133-ENG) as its ADA notice document. This notice document informs applicants, clients and members of the public that Goodhue County does not discriminate on the basis of disability. The notice document also gives information to the public about the rights of people with disabilities under the Americans with Disabilities Act.

Goodhue County has a copy of DHS brochure: *Do you have a disability* (DHS-4133-ENG) posted in the lobby next to the reception desk.

A copy of the DHS brochure: *Do you have a disability* (DHS-4133-ENG) is located in the Appendix; Attachment C.
