If you already have a dentist that is not on the above list, ask them if he/she will treat you while you are on MA. If a dentist on this list is not taking MA patients at the time you call, ask if they have a waiting list that you can be put on. Also, always verify with the dental office that they are currently accepting the form of Medical Assistance that you have.

Si usted ya tiene un dentista que no está en la lista de arriba, les pregunta si te van a tratar mientras estás en MA. Si un dentista en esta lista no esta aceptando pacientes de MA en el momento , llame y pregunta si tienen una lista de espera que le pueden anotar. También, siempre verifique con el consultorio dental si aceptan actualmente la forma de asistencia médica que usted tiene.
