

Gopher State One Call

Call Before You Dig!

Digger Dan Says: **Before** you dig...

Call!

Before any excavating, including: deck footings; and fence posts...

Call!

Call... 811 (Nationally)
800.252.1166 (Greater Minnesota)
651.454.0002 (Twin Cities Metro)

Dan's the Man!

Online: www.gsocsubmit.org
Emergency Number: 866.640.3637

Please Call at Least Two (2) Full Business Days Before Digging.
Your Locate is Good for 14 Calendar Days.

When you call, be ready with information about yourself (Name and Contact Information), the project (Type of Work, Scope of Work, Duration, etc.), and the project location (County, Township, Street Address, Driving Directions, etc.).

GSOC was established in 1988 as the result of a horrific pipeline explosion in Mounds View, Minnesota.

Minnesota State Statute 216D

Minnesota Rule 7560
